

## **BOCES 4 Science 2019-2020 Professional Development**

The BOCES 4 Science professional development sessions will include a deep-dive into the 3-Dimensional instructional strategies specific to the appropriate NYSSLS topic, current formative and summative assessment available, content instruction and more. Teachers will walk away prepared to begin instruction using the new science standards. Registration is limited. Lunch is on your own. These training sessions are FREE.

Register for the training using your standard district procedures. All sessions are in My Learning Plan. Interactive link on name of session below and registration via <https://www.mylearningplan.com/webreg/catalog.asp?H=1&D=18636>
